JOB OPENING

Crane operator (Telescopic crane)

Arendonk Fulltime

Profile

- You are highly motivated
- Experience as a crane driver is a plus
- SCC certificate/certificate of professional competence are additional plusses
- Driver’s licence category B or C is a nice extra
- You attach great importance to safety, collegiality and working in a team
- Experience with 2D or 3D control is a plus
- You are punctual, orderly and not afraid to accept responsibility

Job description

As a crane operator you not only operate the crane, you also ensure good preparation and follow-up. In real terms this means:

- Performing soil and shuttering work independently
- Excavating sewer trenches together with the team
- Assembly of prefab elements
- Updating the on-board log
- Preparing machines for and transporting by road
- First-line maintenance of appliances and equipment
- You help your team with road/sewer construction when there is no crane work
- You register and forward monitoring and activity data

Besides a great job you also get:

- A competitive wage according to PC 124 and experience
- Full-time fixed-term contract for an indefinite period
- Career and training opportunities
- Amazing machinery
- Variety and a say in affairs
- A family atmosphere
- Job security
