- Different construction terms

Job description

You are responsible for the day-to-day management and coordination of our sites.

You manage our own people and also coordinate our subcontractors. You follow up both the practical and the financial side of the site and adjust the work where necessary. You will also be able to use the following skills:

- You are enthusiastic and flexible as regards working hours
- You have organisational talent
- Your heart is in construction and you enjoy working outdoors

Besides a great job you also get:

- A competitive wage according to PC 124 and experience
- Company car, laptop and smartphone
- Full-time fixed-term contract for an indefinite period
- Career and training opportunities
- Amazing machinery
- A fascinating job
- Variety and a say in affairs
- A family atmosphere
- Job security
